SHOWER PANELS

2020

Originating from a modest 9000 ft2 sq site on Shore Road in Perth, Scotland, our emphasis on meticulous attention to detail and hands-on management has remained steadfast, even as our operations have expanded. Every panel is meticulously designed, built and tested on-site, ensuring the highest standards of craftsmanship and durability. Our commitment to excellence is reflected in our products, with all wall panels, vanity worktops and splashbacks boasting a 15-year guarantee.

#### *Wetwall's journey of growth spans over three decades:*

1991: Inspired by the need for high-quality, affordable panelling solutions, Shore Laminates was founded.

2001: Expanding our reach, we experienced a surge in national sales, laying the groundwork for a UK-wide distribution rollout.

2007: Responding to growing sales demand, the site underwent significant expansion, upscaling to 40,000 ft2 sq.

2017: Shore Laminates became an integral part of Wilsonart Engineered Surfaces, the global leader in engineered decorative surfaces; further enhancing our capabilities and market reach.

2020: Demonstrating our commitment for innovation, we introduced a new 100% waterproof patented proposition, to further broaden our diverse product portfolio.

2021: We celebrate our 30th anniversary, led by the vision to remain dedicated to delivering unparalleled quality, innovation and customer satisfaction in every aspect of our business.

2024: With a vision on growing Wilsonart's current bathroom panel proposition, through tactical brand consolidation, we combine the strengths and expertise of Mermaid and Wetwall as we focus on creating a unified brand that sets new standards of excellence in design, durability, and functionality. Leveraging the rich heritage and innovative spirit of both brands, we will introduce a comprehensive range of products, under the Wetwall brand, that cater to the distinct needs and preferences of our customers.
